

Recovery Compass – Brand Mockups

1. Presentation Slide Mockup

This slide shows the use of the Recovery Compass water gradient background (#002f34 → #071c29), with the Montserrat ExtraBold nameplate in white (#FFFFFF) and the compass-tree emblem on the right side.

2. Email Header Mockup

The email header uses the gradient background with the Recovery Compass wordmark in Montserrat ExtraBold, letter spacing of 30, and white text for strong contrast. The logo can be placed on the left.

3. Social Media Card Mockup

The social card is a 1080x1080 square featuring the gradient background, the compass-tree emblem in the center, and the wordmark placed below in Montserrat ExtraBold, uppercase, white text.

4. Notes on Application

- Always use Montserrat ExtraBold with increased letter spacing for the nameplate.
- Apply the gradient backgrounds consistently across digital and print.
- Use the compass-tree emblem prominently in hero sections or social media.
- For accessibility, ensure white text contrasts sufficiently against gradient backgrounds.
